On this site, you will find the **complete [menu](#) of Sammy's on the Marina** from Glenelg. Currently, there are **29** menus and drinks available. Sammy's restaurant is located at the end of the marina, offering a warm and cozy atmosphere. While the food is reasonably priced, some felt that the quality didn't match the cost. The service was a mixed bag, with some customers feeling rushed and uncomfortable with the casual terms of endearment used by their waitress. Despite these issues, others enjoyed their meals, especially the Lobster Mornay and crispy skin salmon. The restaurant also caters well for groups and special occasions, with a great view over the marina. The platters were a hit with some diners, praising the generous portions and delicious calamari. Overall, Sammy's offers a nice dining experience, with some room for improvement in terms of food quality and service.
