Here you will find the [menu](#) of **Creatures Of Habit** in Springvale. At the moment, there are **36** meals and drinks on the list. **Creatures of Habit** in Springvale offers a varied dining experience, marked by both standout service and letdowns in food quality. While certain staff members shine with exceptional customer service and warm attitudes, other interactions lack basic courtesy, leaving a bitter aftertaste. Dishes are deemed overpriced; patrons feel the prices do not match the portion size or quality, with some orders arriving lukewarm or overly sauced. Despite these shortcomings, many guests appreciate the friendly atmosphere and generously sized breakfast offerings. For those seeking a casual spot for coffee and light bites, this café may still hold potential.
