Currently, there are **44** dishes and drinks available. ****Discovering Low Road: A Culinary Journey of Contrasts**** Nestled near the train station, Low Road consistently offers a delightful mix of culinary experiences. While some patrons rave about the outstanding coffee and well-crafted dishes like the lasagne and fruit toast, others express disappointment with service and food quality. Complaints about bitter coffee and unaccommodating staff stand in stark contrast to the praise for the café's charm and attentive service. With a menu that appeals to diverse palates and a vibrant atmosphere, Low Road remains a hidden gem—though its service and ingredient execution could use a thoughtful touch to elevate every dining experience.
