On this webpage, you will find the **complete [menu](#) of Cafe Anatolia [Hastings](#)** from Hastings. Currently, there are **18** meals and drinks available. Karamu Road Anatolias offers a blend of experiences that highlight both its strengths and areas for improvement. While many patrons praise the warm, welcoming atmosphere and friendly staff, recent feedback indicates service issues, including rudeness and long wait times. Food quality also varies; some diners enjoy delicious kebabs and a great selection, while others report cold dishes and unsatisfactory portion sizes. The ordering process has modernized with digital kiosks, yet this has not consistently enhanced service. Overall, while there are significant positives, recent experiences suggest a need for attention to food consistency and service quality.
