A comprehensive [menu](https://menuweb.menu) of The Cake Lady Cafe from [New Norfolk](#) featuring all **40** dishes and drinks can be found here on the menu. Nestled in a delightfully retro corner, this quirky café offers an eclectic atmosphere complemented by a diverse menu. Diners can indulge in delicious coffee and an array of sweet treats, with notable mentions for the gluten-free options and the highly praised Beef Burger. However, experiences vary; while some patrons rave about friendly service and inviting restrooms adorned with guest messages, others lament long waits and less-than-stellar food quality. Overall, this spot presents a unique charm, but visitors should be prepared for inconsistencies in service and meal satisfaction. A local gem worth exploring, but manage expectations.
