On this webpage, you will find the **complete menu** of **The Cabbage Tree** from Invercargill. Currently, there are **49** menus and drinks available. Once a celebrated spot, the restaurant now receives mixed feedback. While praised for its friendly staff, inviting atmosphere, and kid-friendly setting, many find the extensive menu overwhelming and inconsistent in quality. Several dishes, including chicken, steak, and appetizers, reportedly suffer from poor seasoning and questionable cooking standards, with some meals described as undercooked or fried in dirty oil. Pricing is considered steep compared to local alternatives. However, recent visits note improved menu focus, standout lamb and venison dishes, and attentive service. Overall, the venue offers potential but calls for refinement in food preparation and value.
