At the moment, there are **56** dishes and drinks on the list. ****A Customer's Take on Meat Plus: A Mixed Bag**** Nestled in the bustling heart of SBMA, Meat Plus aims to satisfy meat lovers with a unique ordering system that allows diners to choose their cuts directly from a freezer. However, opinions diverge widely. While some diners laud its extensive selection and proper seasoning, others criticize dry patties and uninspired sides. Dessert offerings fell short, such as a cold apple pie with soggy crust.

The atmosphere evokes a fast-food vibe, detracting from the steakhouse experience. Despite the inconsistencies, the swift service and ample parking make it a potentially rewarding stop for families and meat enthusiasts alike.
