A complete [menu](#) of Miss Chow's from Claremont featuring all 59 menus and drinks can be found here on the list. The restaurant offers a lovely and relaxed setting with friendly staff. The fried chicken bites and [seafood](#) hor fun are highly recommended, while the dumplings received mixed reviews. Some customers found the food average and were disappointed by the lack of Chef's favorites on the menu. One reviewer mentioned a sneaky charge for bottled water, which soured their experience. However, others enjoyed the salted fish fried rice, dumplings, and unique cocktails. The service was praised by many, although some felt it had become inconsistent. Despite some mixed reviews, the restaurant continues to attract customers with its modern Asian atmosphere and flavorful dishes.
