The restaurant offers a unique fusion of Asian influence with a twist in their dishes, such as the mac and cheese toast with orange sauce. Customers enjoy the delicious food, like the chicken salad with pomegranate seeds, although some note the lack of attention to little details like providing take-home containers. The spicy crab omelette and pandan custard French toast are recommended dishes. Despite some criticism of the service, the food is creatively presented and portion sizes are ample. Guests appreciate the free sparkling and tap water available. Overall, the café is praised for its great coffee and welcoming atmosphere, making it a popular choice for returning customers.
