A comprehensive [menu](#) of 3 Doors Up And 4th Door Lounge from Napier featuring all 59 dishes and drinks can be found here on the list. In recent visits to the restaurant, experiences have been a mixed bag. While many diners fondly remember exceptional dishes like the Beef Wellington and lamb rack, recent feedback highlights significant service and food quality inconsistencies. Guests reported unwelcoming atmospheres, slow service, and overlooked meal checks that detracted from their enjoyment, particularly in private dining areas. Although some fondly praised service and atmosphere, other diners lamented overcooked steaks and limited veggie sides. Ultimately, while the restaurant has its loyal fans, recent experiences suggest a need for improvement to reclaim its former culinary glory.
