Here you will find the [menu of Fasta Pasta](#) in Salisbury. At the moment, there are **61** dishes and drinks on the list. Fasta Pasta offers cheap and delicious meals, with the Verdi casanova being a former favorite that has unfortunately been removed from the menu. While some dishes like the deer pollen and [pizza](#) bread with tomato and onion were delicious, others such as the gnocchi ragu fell short in flavor. The restaurant's atmosphere is welcoming, with friendly and professional staff who go out of their way to ensure a pleasant experience for customers. Despite some underwhelming dishes, Fasta Pasta remains a good option for quick and tasty meals, especially for large groups or family gatherings. Overall, the restaurant has potential to improve and maintain its reputation with attentive service and quality food.
