A **comprehensive [menu](https://menuweb.menu) of Commonfolk Coffee** from Frankston South featuring all **61** dishes and drinks can be found here on the menu. The restaurant in question is a warehouse-sized cafe with a huge interior space that also hosts an art gallery. While the venue is beautifully furnished and boasts a relaxed atmosphere with a cool warehouse vibe, some customers were left disappointed by the service. One review mentioned a lack of communication between the staff and customers, as well as issues with being seated and served in a timely manner. On the other hand, many diners praised the quality of the coffee and the overall atmosphere of the place. The food received mixed reviews, with some enjoying the dishes while others found them to be lacking. Despite some inconsistencies, the general consensus seems to be positive, with mentions of friendly staff, good music, and delicious coffee. Overall, it appears that while there may be some room for improvement in terms of service, the restaurant offers a unique and enjoyable dining experience for those looking for a trendy, hipster-level setting in the Mornington area.
