You can view the categories on the menu below. ****Restaurant Review: A Culinary Rollercoaster**** Nestled in a cozy corner, this charming Japanese café boasts a loyal clientele drawn by its delicious sushi and exquisite sashimi. While the service is often praised for its friendliness and promptness, recent visits have revealed inconsistencies in food quality, notably with dishes like the vegetable curry and calamari, which have left diners underwhelmed. Additionally, extra charges for condiments and the absence of basic amenities like tap water have sparked disappointment. Despite its potential and past successes, the restaurant's recent decline underscores the importance of maintaining quality to keep devoted patrons returning.
