On average you pay about A\$23 for a dish / drink. ****Nando's Experience: A Mixed Bag of Service and Flavor**** While some patrons rave about the atmosphere and highlight exceptional customer service at select Nando's locations, others share a series of unfortunate dining experiences. Common complaints include slow service, inconsistent food quality, and confusion over menu items, with customers frustrated by stale rolls and overcooked chicken. Additionally, some staff interactions fell short, marred by unprofessional behavior. Despite the charm of the brand and moments of excellent service, many diners are reconsidering their loyalty, grappling with fading enthusiasm amid ongoing operational challenges. For now, it seems, Nando's may be a hit or miss for many.
