Here you will find the [menu](#) of **Fibber McGee's** in Leederville. At the moment, there are **73** menus and drinks on the menu. Fibber McGees, located in the heart of Leederville, may not live up to the hype of having the 'best dry aged steak in Australia', according to some customers. While some found their sirloin steak to be tough and lacking flavor, others enjoyed the lamb shank and fish of the day. The service was generally good, although there were mixed reviews about the staff's friendliness. Despite some setbacks, the cozy Irish atmosphere, generous portion sizes, and free sides make Fibber McGees a worthwhile dining experience. The restaurant is known for its ribs, which are described as divine by one reviewer. Overall, Fibber McGees is a charming spot with potential for a memorable meal, whether you opt for the famous steak or try other menu items like the ribs or beef ribs.
