On this homepage, you will find the **complete menu** of Carmine's from PORT ADELAIDE. Currently, there are **74** meals and drinks available. The restaurant has a beautiful set up and atmosphere, but reviews were mixed regarding the food and service. Some found the dishes to be underwhelming and overpriced, while others enjoyed the takeaway pizzas and pasta dishes. The general consensus seems to be that there is room for improvement in terms of consistency in food quality and service. Overall, it appears to be a decent spot for casual dining, but may not be everyone's top choice.
