A **comprehensive menu** of Jervois Steak House Saloon from Auckland featuring all **79** dishes and drinks can be found here on the menu. Dining at this Auckland steakhouse presents a mix of culinary highs and service lows. While the restaurant boasts exceptional steaks, including standout dishes like truffle mac and cheese and beef tartare, many patrons express concerns over both pricing and inconsistency in service. Some meals, though delicious, have been critiqued for portion sizes and overcooking. Despite the cozy atmosphere, issues such as lengthy wait times and inattentive staff have marred the experience for some. Overall, while the quality of the food shines, the dining experience may leave diners feeling conflicted about a return visit.
