The restaurant from Boroondara offers **81** different **dishes and drinks on [the menu](#)** at an average price of A\$21. Overall, the reviews for the restaurant highlighted a variety of experiences. Some mentioned issues with overcooked steak, gritty salad, and forgotten wine orders on a less busy Tuesday night. However, the standout positive was the delicious Bernaise sauce. On the other hand, other reviews praised the private and cozy ambience, friendly service, and delicious food like Portuguese chicken skewers and rib eye steak. While some diners found the portions to be a bit light, the attentive service and execution of dishes were consistently commended. Despite some dessert disappointments, the overall experience seemed positive and many diners expressed a desire to return.
