Jack's Pizza, located in Grant Road, offers a variety of tasty pizzas and pasta dishes for delivery. Customers have enjoyed the flavorful Chipotle Chicken pizza, Meat Lover's Pizza, Chicken Sauteed Pizza, and Penne Polo Funghi Pasta. While some feel that the pizzas could be a little less dry and have more cheese, overall the food is delicious and satisfying. The crust is crispy, toppings are generous, and the unique flavors like Pesto Chicken and Chipotle add to the experience. The garlic bread is also a standout, with a perfect balance of flavor. With quick delivery and good value for money, Jack's Pizza is a great option for those looking for a tasty meal delivered straight to their doorstep.
