You can view the categories on the menu below. **\*\*Restaurant Review: A Culinary Journey That Falls Short\*\*** While some dishes at this restaurant show promise, such as the enjoyable spinach and well-flavored eggplant and potato masala curry, others disappoint, particularly the dry beef and lackluster butter chicken. Diners have reported a concerning inconsistency in dish preparation and ingredients, with several noting the absence of authentic Indian flavors. However, the inviting atmosphere and friendly service have earned praise, making it a comfortable place to dine. Prices are reasonable given the quality, yet some guests feel the overall experience does not justify the cost. Enthusiasts of North Indian cuisine may find a mixed bag here.
