The restaurant from [Griffith](#) offers **108** different **menus and drinks on the menu** for an average price of A\$38. In recent reviews of a local Chinese restaurant, diners expressed mixed experiences, particularly regarding service and food quality. Several patrons reported excessive wait times, with some waiting over an hour for their orders, leading to disappointment and subpar dishes like bland General Tso's chicken and unsatisfactory Honey Chicken. However, others praised standout offerings such as authentic lamb soup and fresh crabs, highlighting a generally enjoyable atmosphere with friendly staff. While some diners appreciated the decent fried rice and favorable pricing, others felt the quality did not justify the cost. Overall, the restaurant presents a blend of potential delights amid noticeable inconsistencies.
