The menu of George's Neighborhood Grill from Indianapolis contains about **124** different courses and drinks. On average you pay about \$10.5 for a dish / drink. Nestled at 71st and Binford, George's in Avalon Crossing has garnered mixed feedback since its opening. While many patrons rave about the outstanding food—highlighting dishes like the cajun salmon, fresh salads, and delectable soups—service inconsistencies remain a concern. Diners have noted long waits, inattentive staff, and a troubled start for this establishment, yet recent visits suggest improvements are afoot. A friendly atmosphere, live music, and a welcoming vibe contribute to its charm, making it a family-friendly spot worth revisiting. With continued focus on service, George's shows promise for a brighter future.
