The restaurant from Prahran offers **124** different **courses and drinks** on [the menu](#) for an average price of A\$18. The restaurant, Austin's/Mount Erica's, offers a unique blend of pub-like atmosphere with expensive tapas meals. While some patrons were disappointed with the lack of [vegetarian](#) options and inconsistent meal sizes, others praised the interesting food selection and affordable lunch specials. The service was noted to be excellent, although some found the pricing of drinks to be on the higher side. Overall, the restaurant received mixed reviews, with some praising the transformation under a new head chef and others expressing disappointment with the overall experience. Customers recommended trying the Tuesday steak nights for a delicious and affordable option.
