The menu of Shark Fin Keysborough from **Greater Dandenong** contains about **298** different dishes and drinks. On average you pay about A\$20 for a dish / drink. Shark Fin Inn offers a Yum Cha experience with a twist in a COVID-normal world, where guests must order off a list rather than have trolleys pushed around. The service is kind and attentive, although some customers found the quality of the food to be lacking compared to other establishments. Despite some inconsistencies in service and food quality, the overall experience at Shark Fin Inn was positive for many, with standout dishes like Mongolian beef and crispy skin chicken with greens receiving high praise. The welcoming atmosphere and variety of dishes make it a popular spot for both regulars and newcomers, although some customers experienced issues with communication and billing. Overall, Shark Fin Inn provides a satisfying Yum Cha experience with room for improvement in certain areas.
