The menu of Lachlan's Restaurant from Macquarie Park contains about **49** different courses and drinks. On average you pay about A\$15 for a dish / drink. Nestled within the MGSM, this restaurant offers a mixed experience for diners. While the food tends to be well-prepared and reasonably priced, with notable desserts and a decent wine selection, the atmosphere can fall flat, reminiscent of traditional English men's clubs. Service varies; attentive for larger groups, but occasionally lacking for others. Guests appreciate the quieter setting, ideal for relaxed conversations away from the nearby hustle. However, the venue struggles with noise from larger parties, and parking can pose challenges. Overall, it may appeal to those seeking a casual dining experience, albeit with some reservations about ambiance and consistency.
