A complete [menu](https://menulist.menu) of [YARRALUMLA](http://www.halalpidehouse.com.au/) Turkish Halal Pide House from YARRALUMLA featuring all 49 menus and drinks can be found here on the list. Turkish Halal Pide House in Canberra has been known for serving up some of the best kebabs in town, with fresh, fluffy bread and generous portions of meat and salad. However, some recent reviews have pointed out a decline in quality, with complaints about dry meat, burnt chicken, and poor rice quality. Despite this, the restaurant remains extremely popular, with long waits being the norm. The pides are also highly recommended, with one customer praising them as the best ever. Despite some issues with pricing discrepancies, overall, Turkish Halal Pide House continues to deliver consistently good service and delicious food, making it a must-visit destination for those craving Turkish cuisine in the South side of Canberra.
