A group of people are seated around a long, dark wooden table in a restaurant. The table is set with white plates, glasses, and cutlery. The room has a warm, dimly lit atmosphere with red walls and a blue accent wall. Several ceiling fans are visible, and a large window or doorway is in the background.

A complete [menu](#) of **Himalayan Nepalese Cafe Victoria Park** from Victoria Park featuring all **56** dishes and drinks can be found here on the list. The restaurant offers a variety of Nepalese dishes that are worth trying out for those looking to explore this type of cuisine. Some highlights include the Chicken Momo, garlic naan, and prawn masala. While the creamy beef was a bit tough and chewy, overall the food was worth a taste. The atmosphere of the restaurant may lack a bit of enthusiasm, but the smooth and creamy curries like the chicken butter and corma are highly recommended. Prices are slightly higher than expected, but the portions are decent. The service can be hit or miss, with some experiencing pushy waitstaff, while others found it prompt and attentive. Overall, it's a place worth considering if you're looking for authentic Nepalese cuisine.
