A complete [menu](#) of Maya's Fish And Chips from Mandurah featuring all 10 dishes and drinks can be found here on the list. At this once-beloved fish and chip shop, diners are experiencing a widening gap in quality. While some patrons recall satisfying meals with perfectly cooked fish and hearty portions, recent visits have revealed a troubling inconsistency. Complaints range from burnt fish and greasy fries to generous servings hitting the mark. Many agree that the quality hinges on who is in the kitchen, leading to recommendations for cautious diners to check their meals thoroughly. Overall, while some tout improved dishes, others advise seeking alternatives, leaving the restaurant's reputation precariously balanced on the edge of past glories and current disappointments.
