The restaurant in question is located in a busy area of the city, with limited parking. The interior is dimly lit, making it difficult to see your food. Some customers have found the dishes to be bland and not worth the price, such as the Manchuria. However, others have enjoyed the naan and butter chicken. The restaurant is known for serving generous portions of tasty food, particularly the chili chicken and chicken lollipops. Overall, the quality of the food is good in the area, but the prices are considered slightly high. The ambiance is pleasant, and the customer service is deemed satisfactory.
