Here you can find the [menu](#) of Luna Ristorante in Yumbing. At the moment, there are **16** menus and drinks on the card. Luna Ristorante is a charming restaurant located along the road, with a clean garden-like setting and accommodating staff. While some reviewers had mixed experiences with the service, the highlight of this place seems to be the pizza, which is described as delicious, stone-baked, and exactly what you would want. The pasta was also noted to be good, though with room for improvement. The menu is tempting, but some felt that the drinks could be better. Overall, Luna Ristorante seems to be a solid choice for classic brick oven pizzas and made-from-scratch dishes, despite some minor drawbacks.
