Sukh Sagar is a well-known restaurant in Salem that offers a wide variety of North Indian and Chinese dishes. While slightly more expensive compared to other options in the area, they are highly recommended for their Pav Bhaji and unique menu items. The restaurant has a pure vegetarian menu with offerings ranging from chats to pizzas, sizzlers, steaks, and tandoor dishes. The ambience may not be the best, but the delicious food and quick service are worth it. Customers rave about their Gobi Manchurian, Rose Milk, and Kulfi. Visitors also appreciate the mouthwatering chat items and the overall quality of food served. Overall, Sukh Sagar is a must-visit for foodies looking for a satisfying meal experience in Salem.
