इस शहर के Puducherry के Hotel Kaarthik एक विशाल <u>दक्षिण भारतीय</u> शाकाहारी व्यंजनों में 15 व्यंजन की एक श्रृंखला पेश. Located in Puducherry, Hotel Kaarthik offers a wide range of South Indian vegetarian dishes that cater perfectly to the local palate. The restaurant is known for its delicious Pongal and Vada Sambar, which are served with just the right amount of oil. While some guests find the prices a bit high, the ambience and service are top-notch. Home-delivered food may not always live up to the dine-in experience, but the speedy service and flavorful chutneys make up for any shortcomings. The dosas are a hit, although some diners were not impressed with the stuffing. The Mushroom Fried Rice is a good option for those looking to try something different, and the ice cream parlor in the basement offers a sweet ending to your meal. Overall, Hotel Kaarthik is a solid choice for a satisfying South Indian meal in Pondy.
