Here you will find the [menu](#) of **Suburban Cafe** in DANDENONG SOUTH. At the moment, there are **15** meals and drinks on the menu. Located in a vibrant urban shopping area, this café boasts a blend of good service, appealing food, and a lively atmosphere. Customers praise the delicious Tradie Deal—featuring a flavorful speck and egg toastie—as a standout choice. However, some menu items, like the smashed avocado, feel overpriced compared to surrounding options, especially with a steep weekend surcharge of 15% and additional card fees. While the coffee didn't hit the mark for everyone, the café has potential and remains a favorite for many. Diners may want to exercise caution in their selections, saving visits for special occasions.
