I Sacked Newton is a restaurant located in Noida. It is a vibrant restaurant offering an inviting atmosphere complemented by a menu boasting diverse culinary options. Diners appreciate the stylish decor and lively ambiance enhanced by live music. While many dishes are praised for their flavor, some find portion sizes small and prices on the higher side. Service quality varies, with a few noting below-average experiences. Despite mixed reviews regarding food consistency and the imposition of service charges, the welcoming staff and varied drink options make this spot a recommended destination for those seeking a lively dining experience in Noida.
