On this webpage, you will find the **complete menu** of **Cathy's Place** from Darwin. Currently, there are **18** menus and drinks available. Nestled by a serene marina, this restaurant offers a unique dining experience centered around mud crabs, particularly praised for their freshness and variety of flavors. While some guests welcomed the candid and quirky service from Cathy, others found the atmosphere lacking warmth. The menu is limited, focusing primarily on crab and fish, and while prices can be steep, many agree the quality justifies the cost. However, service inconsistencies and a lack of communication have garnered mixed reviews. Despite this, for true crab enthusiasts open to an unconventional dining style, this spot is worth a visit.
