A **comprehensive [menu](#) of Pizza Uncommon** from West Lafayette featuring all **17** dishes and drinks can be found here on the menu. This restaurant acts as a haven for vegan pizza lovers, offering a delightful menu packed with pizzas, breadsticks, wings, and desserts. Diners rave about the flavorful options, like the mushroom sausage and Thai chicken pizzas, while praising one of the best gluten-free crusts available. However, the prices are seen as somewhat steep for the portion sizes. Service is satisfactory but lacks standout moments. Overall, the establishment successfully balances quality and variety, making it a fantastic choice for those seeking delicious vegan fare in a welcoming environment, despite a few service and pricing concerns.
