On this webpage, you can find the **complete menu** of Qyosko from Dumaguete City. Currently, there are **22** meals and drinks available. Qyosko is a restaurant in Dumaguete that offers good and affordable food, but needs to work on being polite with female customers. The ambience is a bit old-fashioned and the decor quirky, but the Ube Pandesal and coffee are worth trying. The cafe could use some updates and improvements in layout, but overall, the food is delicious. Service has greatly improved, and the bacon meal is generous. It's a great place to satisfy chicken cravings and have a relaxed time over cake and coffee, making it a must-visit spot in the Philippines.
