On this webpage, you will find the **complete [menu](#) of Stones Corner Chinese Restaurant And Noodle Bar** from Greenslopes. Currently, there are **19** meals and drinks available. We had an amazing experience with our first takeaway order from this place. The food was delicious, portion sizes were generous, and the service was quick. We ordered the 4 person value pack, an additional dish of chicken and cashew, and some entrees, and ended up with plenty for seconds and leftovers. All of this only cost us \$100. We will definitely be returning in the future.
