Ranchi Chef's Chowpatty is a popular restaurant in Ranchi, India. It has a rating of 2.0. Customers have mixed reviews about Chef's Chowpatty restaurant, with some experiencing stale food and tasteless dishes, while others enjoy the tasty and well-prepared meals. While some complain about the packaging and delivery issues, others praise the prompt delivery and delicious chicken biryani. The restaurant seems to have a variety of dishes to offer, with both vegetarian and non-vegetarian options receiving positive feedback for their flavors. Overall, Chef's Chowpatty offers good quality food at an economical price, making it a popular choice for many customers who appreciate the delicious meals and polite owners.
