A complete [menu](#) of 3 Doors Down from Sydney featuring all 23 dishes and drinks can be found here on the menu. The restaurant has received mixed reviews, with some praising the food and cocktails while others found the small plates overpriced and salty. The outdoor seating area was uncomfortable on a hot day, and some patrons found the set menu disappointing. However, there were positive comments about the arancini balls and dumplings, as well as exceptional service and a fantastic experience overall. Despite these varied opinions, the restaurant seems to offer a great atmosphere and overall positive dining experience.
