Red Pepper, Aizawl is a Mizo Traditional Restaurant located in Aizawl. It is a 24-hour restaurant. Nestled in the heart of Aizawl, Red Pepper offers a delightful fusion of traditional Mizo cuisine and modern design, featuring intricate decor that celebrates local culture. Diners can enjoy a variety of dishes, with prices ranging from ₹30 to ₹650, although vegetarian options may disappoint due to limited choices. While many praised the ambiance and attentive service, food quality was inconsistent and often lacked seasoning. Despite some missteps with orders, the overall atmosphere created a cozy and inviting dining experience. For those seeking to explore Mizo flavors amidst a charming setting, Red Pepper is worth a visit, albeit with tempered expectations regarding food quality.
