Currently, there are **27** dishes and drinks available. ****A Maritime Dining Experience at Captain Hook's**** At Captain Hook's, the allure of crispy fish and chips remains strong, although recent visits reveal a mixed bag of culinary outcomes. Many guests report inconsistencies, notably with the chips—being either overcooked or soggy, which detracts from their nostalgic appeal. Service can be hit or miss, with some staff lacking attentiveness and confidence. Yet, there are glimmers of hope; some diners rave about the perfectly cooked calamari and fresh fish options. While the establishment has room for improvement, particularly in consistency and service, it still holds potential for those seeking a hearty seaside meal.
