Sneaky Burgers has garnered mixed reviews, with diners praising its affordable, flavor-packed offerings, particularly the Pineapple Express and pork burgers. While many enjoy the taste and menu variety, complaints persist about the inconsistency in food quality and service. Long wait times, cold fries, and unsettling experiences with a rude staff member have dampened the dining experience for some. However, attentive team members, like Danielle, have been recognized for their exceptional customer service, often managing busy periods with grace. Despite its flaws, many still recommend giving this burger joint a chance, especially during quieter hours for a better experience.
