Here you will find the [menu](#) of Jackalope Mornington Peninsula in Merricks North. At the moment, there are **29** dishes and drinks on the menu. Jackalope Hotel offers a stunning escape with striking architecture and a welcoming ambiance. Guests praise the exceptional service, particularly from standout staff members who add warmth to the experience. However, dining experiences are mixed; while the Rare Hare restaurant impresses, Doot Doot Doot disappoints with buffet-style offerings that lack flavor and creativity. Guests also mention room quality and privacy concerns, particularly for those in lower-level accommodations. Despite these drawbacks, the hotel's beautiful settings and attentive service make it a worthwhile destination for those seeking relaxation and a touch of luxury in the heart of the vineyards.
