Currently, there are **32** menus and drinks available. In a recent exploration of the local dining scene, one restaurant showcased a mix of experiences that left patrons divided. While some guests raved about delicious dishes like the chef's special prawn pasta and praised the attentive, cheerful staff, others lamented over poorly cooked steaks that resembled rubber and inedible pasta dishes. Complaints also emerged regarding inflated prices and the recent decision to prohibit dogs in the beer garden, frustrating loyal patrons. Despite the restaurant's appealing atmosphere, the inconsistent food quality and pricing concerns may deter future visits, prompting some to seek greener pastures elsewhere.
