The **menu of Gateway Bistro** from [Devonport](#) includes 35 menus. On average the **menus or drinks on the menu** cost approximately A\$26. You can view the categories on the menu below. Greta's Restaurant offers a cozy atmosphere and an appealing promotional deal of "buy one main meal, get one free." However, guests have noted inconsistent food quality, with some dishes being undercooked or overdone, particularly the steaks and sides. While the senior meal option under \$10 is a draw, patrons express a desire for a revamped menu. Service varies significantly, with some experiencing lengthy waits and others praising attentive staff. While the ambiance is inviting for a casual dining experience, potential diners should be prepared for possible delays, making it less ideal for those on tight schedules.
