On this webpage, you will find the **complete [menu](#) of Sun's Burmese Kitchen** from Blacktown. Currently, there are **40** dishes and drinks available. Nestled in Blacktown, Sun's Burmese Kitchen offers a unique taste of Myanmar, with a menu ranging from traditional fish soup to flavorful curries and intriguing salads. While some patrons rave about the delicious dishes like barramundi curry and tea leaf salad, experiences with customer service vary widely. Despite flavorful options, frustrations over order timing and inattentive staff have led some customers to express disappointment. Those seeking lower prices and a chance to explore Burmese cuisine will find some gems here, but potential diners should prepare for an inconsistent dining experience. Reservations are recommended for a smoother outing.
