Here you will find the [menu](#) of The Virgin in [HEPBURN SPRINGS](#). At the moment, there are **41** dishes and drinks on the menu. ****A Mixed Bag at Virgin Kitchen: Gorgeous Venue with Service Woes**** Situated in a stunning location, Virgin Kitchen offers an inviting atmosphere complemented by delectable food options, including standout dishes like seared salmon and honey panna cotta. While the culinary offerings often impress, service inconsistencies overshadow the experience. Disappointing interactions with staff, slow meal delivery, and issues with reservations detract from the overall enjoyment, despite some patrons praising the attentive service and cozy environment. While many rave about the coffee and brunch, others lament the appalling service and lack of attention. It's a venue worth visiting, but potential diners should manage their expectations regarding service quality.
